Notice Regarding Pre-Bid Meeting and Site Visit

Date : 2083/06/13 (29th September, 2026)

With reference to the Invitation for Bids published by this office on 2083/05/26 (11th September, 2026) for Contract No. RCIP-AF/Lumbini/Works/OCB-26/2083/84, entitled "Upgradation, Construction and Performance Based Maintenance of Baluwa-Naigadpul-Jamabagar-Tribeni Road (CH 0+000 to 13+145) in Rukum East District", all the bidders are hereby informed that the Pre-Bid Meeting will be held on 2083/06/19 (5th October 2026) at 13:00 in this office.

All the bidders are requested to attend the Pre-Bid Meeting and participate in the discussion regarding the bidding and contract-related matters.

The proposed works include upgrading the existing earthen road to a single-lane bituminous paved road, including new track opening for approximately 5 km. As the new track opening section (CH 0+000 to CH 5+000) involves complex geological and difficult terrain conditions, all the bidders are strongly advised to conduct a thorough site visit and field verification before submitting their bids.

Bidders are requested to obtain first-hand information regarding the geological and topographical conditions, existing site conditions, availability of construction materials, accessibility, transportation requirements, and other site-specific conditions relevant to the execution of the works.

Therefore, all the bidders are requested to attend the Pre-Bid Meeting and undertake a site visit/field verification before submission of their bids.
